Agenda / Calendar

The screenshot shows a mobile application interface for editing a calendar event. At the top, there is a blue header bar with a close button (X) on the left and a 'SAVE' button on the right. Below the header, the event title 'Bootcamp everis' is displayed. The main content area is divided into sections: a time section with an 'All-day' toggle (currently off) and a time range from 'Thu, Jan 7, 2021 3:02 PM' to 'Thu, Jan 7, 2021 4:02 PM', followed by a 'More options' link; a location section with a location pin icon and the text 'on line'; a notification section with a bell icon and 'Add a notification'; an invite section with a group of people icon and 'Invite people'; a color section with a blue circle icon and 'Default color'; and a note section with a list icon and 'Add note'. The bottom of the screen shows a standard Android navigation bar with back, home, and recent apps buttons.
